

# NOW HIRING!

## PLANT MAINTENANCE MECHANIC I

**Level 1: \$61,445-\$74,217 Annually + Excellent Benefits**

The City of Napa's Public Works Department is seeking applicants that are motivated and possess a solid Plant Maintenance Mechanic foundation to join our team. The successful candidate will perform a variety of duties in the maintenance, installation and repair of treatment plant and related systems and equipment. The City of Napa Public Works Water Division supplies clean, safe, reliable drinking water to over 84,000 customers throughout the City of Napa and unincorporated Napa County. The Water Division includes three sections including engineering and administration, distribution, and water treatment. **Position Requirements:** This position requires graduation from high school or possession of a GED with two years of mechanical maintenance and repair on a stationary plant or related equipment. **Special requirements:** Must possess and maintain throughout employment a valid California Driver's license. Possession of a Grade 2 Water Distribution Operator (D2) certification issued by the State of California. A Grade 2 Water Treatment Operator (T2) certification issued by the State of California, and/or a Mechanical Technologist Certificate, issued by the California Water Environment Association, is desirable.
